From their native Everglades deep in the Florida swamplands, the Seminoles begin their pilgrimage to Florida State University. To conduct our visitors safely there the tally-ho was sent.

The itinerary begins with Miami, Florida's wonder city of skyscrapers, white beaches and waving palms.

Over the famous Tamiami Trail the tally-ho clops bringing our visitors to Tampa in time for the annual Gasparilla celebration with its colorful pageantry.

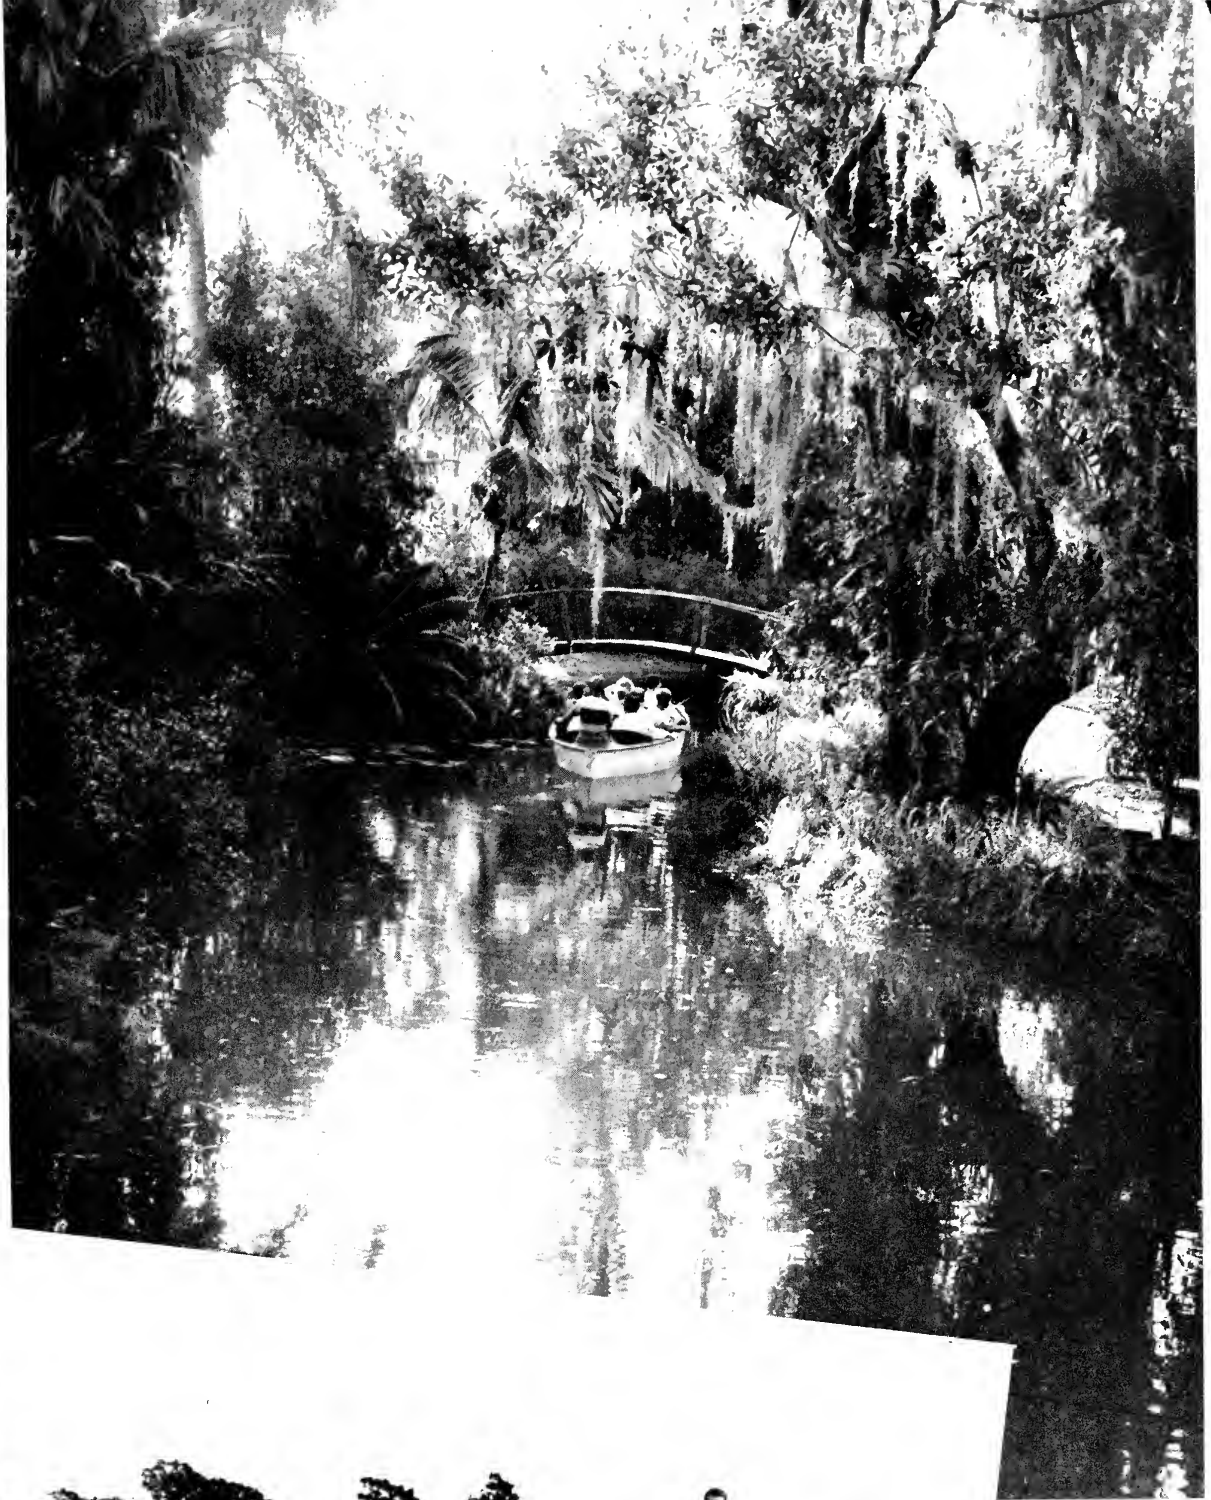

We halt the tally-ho briefly at Tarpon Springs to view Florida's unique sponge industry.

Our carriage wends its way upstate to behold the majestic beauty of Florida's Bok Tower.

The tropical splendor of Cypress Gardens, its verdant foliage and thrilling water sports, magnetically draw our tally-ho to Winter Haven.

"SEE SILVER SPRINGS" advised billboards throughout the state. We and our visitors agreed the advice was good.

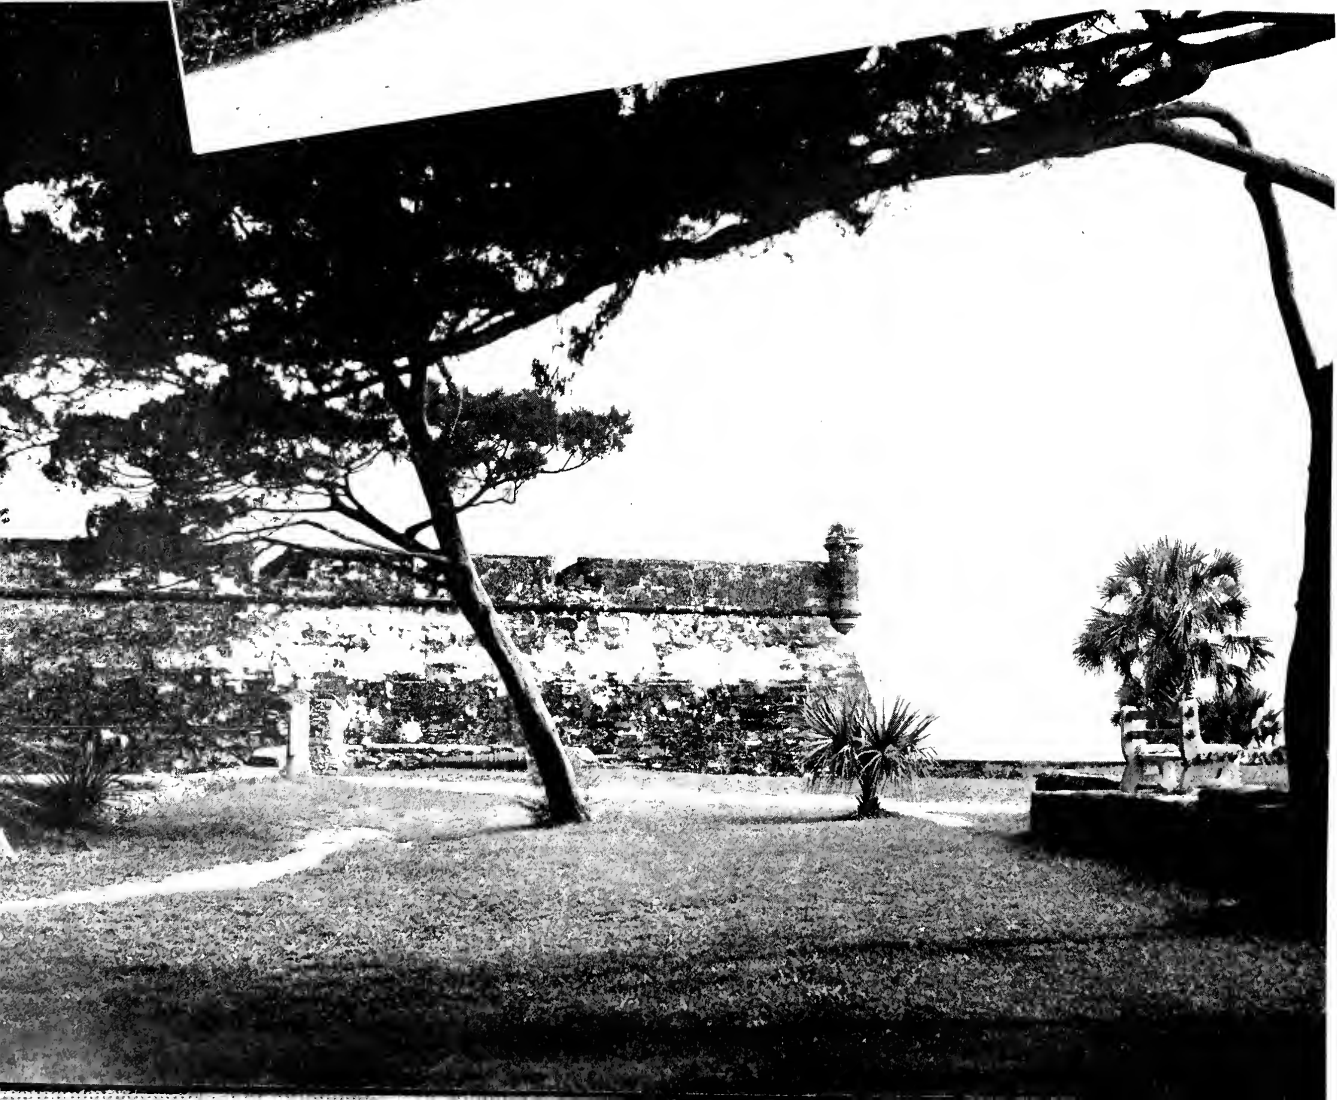

Winter playground with white sands in January instead of white snow — from the cold wintry blasts of the North, tourists flock to the sun in Daytona Beach.

And of course, we can't miss the treat of a trip to Marine Studios; so our tally-ho is next directed here.

In St. Augustine we stop to visit the oldest schoolhouse in the United States and the historic fort there.

Another of Florida's large cities is Jacksonville—a thriving industrial center with adjacent playground.

The coachman heralds our arrival in Tallahassee as the capitol building comes in view over the hill.

Our destination finally reached, we show our visitors with pride the campus of Florida State University.

The University Chorus has, in effect, a three-fold purpose, though it stems from one central theme: enrichment of life. Singing the best in choral literature, both ancient and modern, the members are given opportunity to: (1) glean and envision different viewpoints and ways of life, (2) interpret and assimilate these for themselves, and (3) pass these on individually and collectively as a singing group. It is our aim to thereby make life more beautiful.

Elected in the spring of last year, the WFSU executive staff represented the best radio talent at Florida State University. Pictured left to right are: Stan Gould, Doug Alley, Phoebe Miller, Sam Mansfield, Neil Jacoby, and Den DeLacure.

The Seminole Broadcasting Association is composed of all students working at WFSU. Writers, producers, actors, actresses, librarians, secretaries, directors, are given experience in every phase of radio by the campus radio station. Auditions are held throughout the year for students interested in radio work, with awards being given those who serve faithfully and capably.

WFSU serves the university in many ways. Its facilities are always available to any organization; the personnel are used for state-wide broadcasts and recorded programs for local and state stations; programs are those requested by the students; its non-commercial status assures the students of good entertainment without the stigma of advertisements attached.

WFSU is continually expanding, and has become one of the most important organizations on the campus.

Zetas watched a dream come true before their eyes with the construction of the three-story, white brick, Georgian "mansion." It's a fitting beginning to ZTA's twenty-fifth year on campus. Barn dances were the rage starting with the gala Panhellenic weekend party at Silver Lake through the hilarious evening planned by the Dick Ervins, Zeta sponsors. Twenty girls wore the blue and silver square this year. Retaining its place among the first five in sorority scholastically, Zeta was one of the leaders in campus activities with representatives in Mortar Board, Garnet Key, F Club, Tarpon, Village Vamps, the university publications, Sandspur, Sophomore Council, and student government. Zeta "Stardust" weekend was one of the year's highlights for the wearers of the black and gold shield. The outstanding social event was the commemoration of its Silver Anniversary on campus with alumnae returning from all over the state.

Alpha Theta Phi

The Alpha Tau Omega's made a big step third quarter when they moved into their new home on East campus, being one of the first fraternities to go off campus.

Under the leadership of J. D. Henry, Worthy Master; Edward Entz, Scribe; William Robinson, Treasurer; and Donald Williams, IFC Representative, the group enjoyed a full year of fraternity activities.

Pat Cole, Alpha Gamma Delta, represented the ATO's in the annual Homecoming Court in the IFC beauty contest.

The ATO's were instrumental in making the annual IFC dance and concert very successful. Jesse Duckworth's orchestra furnished the music for the dance and concert.

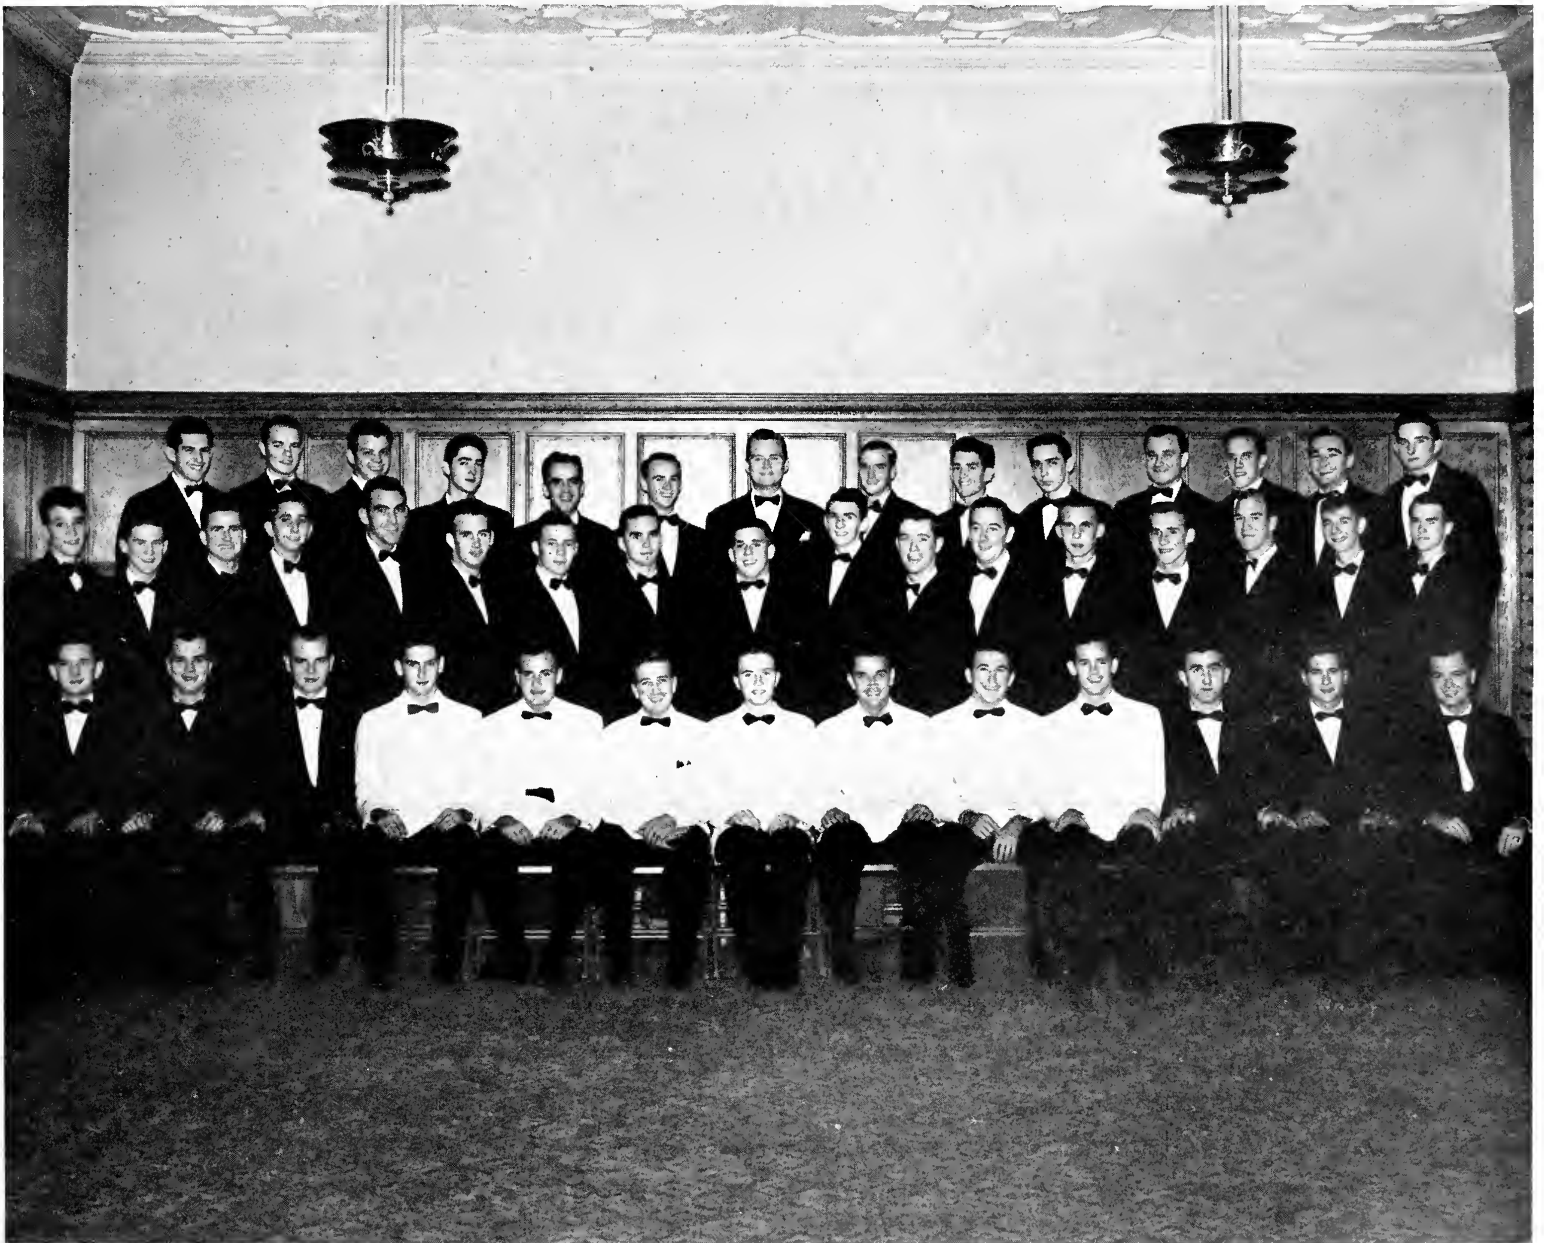

The ATO's enjoyed a good rush season and pledged a number of freshmen.

Delta Tau Delta, in its first full year as a national fraternity at FSU, has taken a position of leadership. In the University Government Association elections, Rube Askew and Bill Yon were elected to the presidency and senior judiciary, respectively. The Delts are represented in Gold Key, ODK, ROTC, the Circus, WFSU, and other leading campus organizations.

On the social side, this year's whirl of activities was climaxed in February with the Rainbow Ball weekend, followed by a house-party at Wilson's Cottages.

IFC weekend saw the Delts ably represented by its sweetheart, Miss Carman Nahm, in the beauty contest.

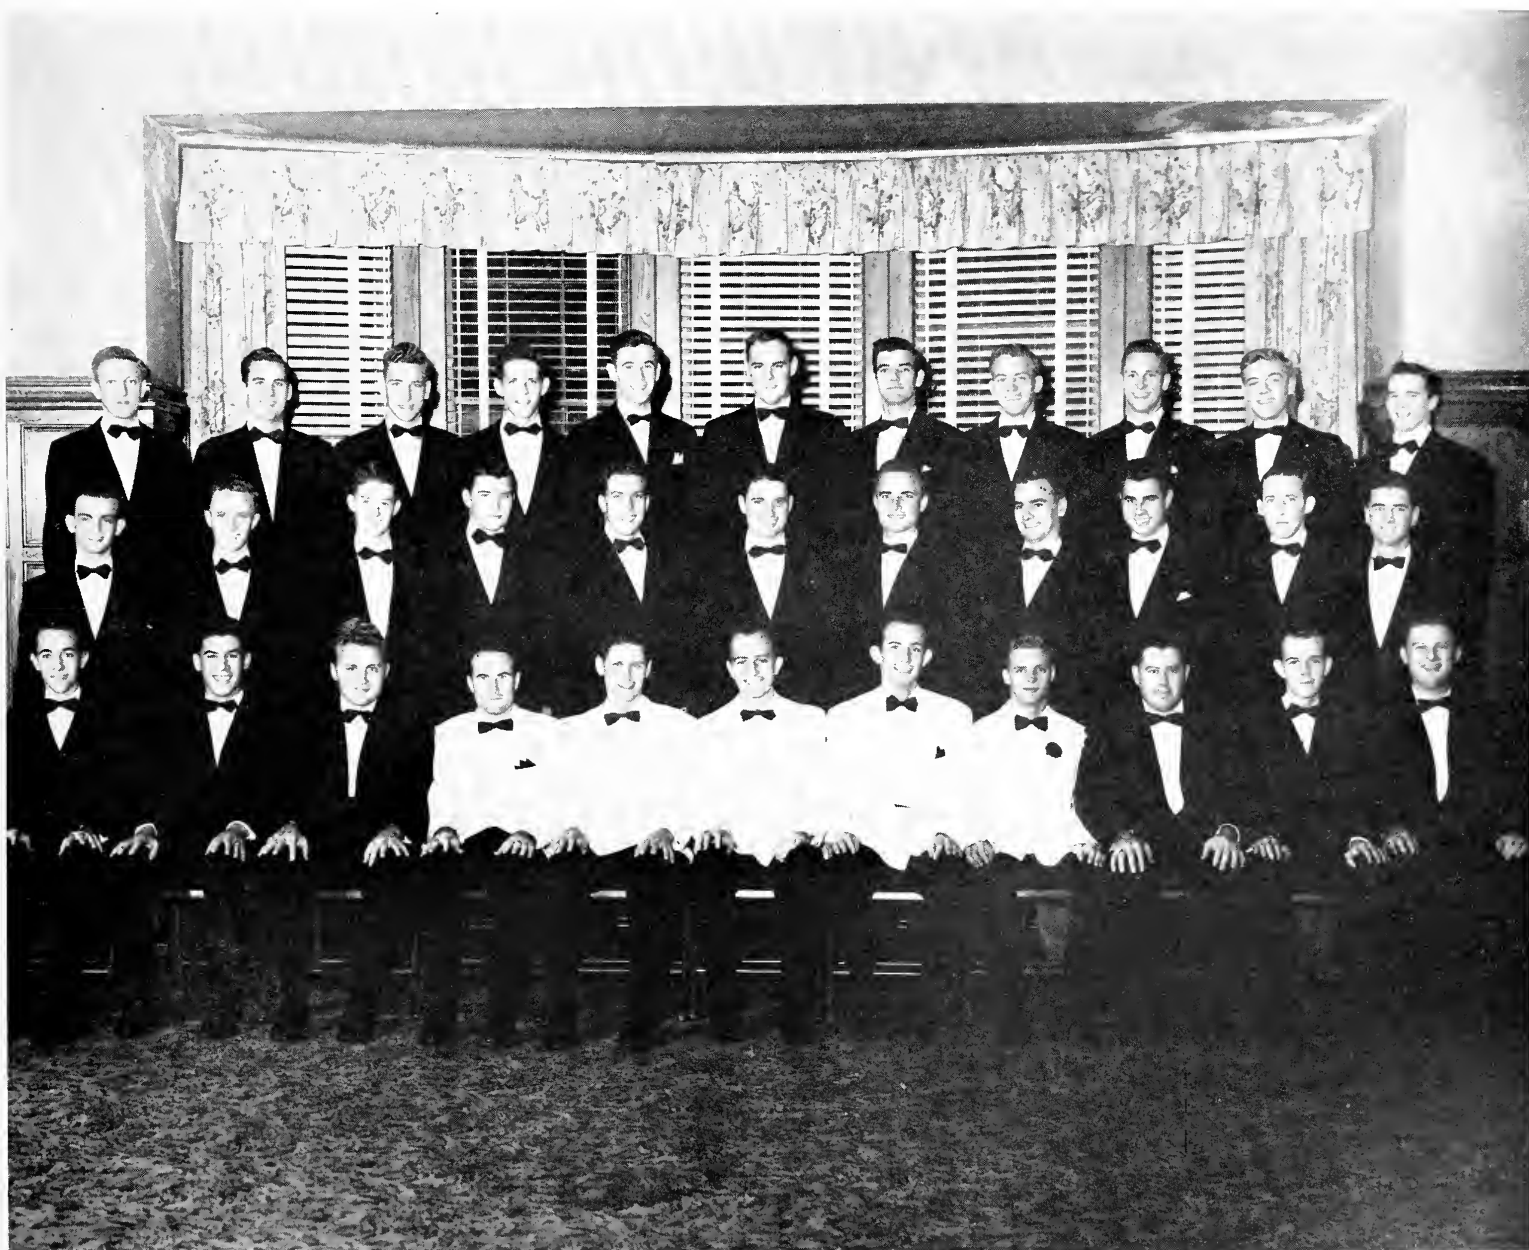

The Delts are looking forward to an even greater year next year in all phases of activity.

The Kappa Alpha Order, founded at Washington and Lee University in 1865, became represented at Florida State in March 1949, by the installation of the Gamma Eta chapter. The fraternity, which is of Southern origin, was founded on the ideals of Robert E. Lee.

These Southerners have had a successful year in placing men in the offices of University Government, Men's "F" Club, ODK, Gold Key, L'Apache, and the Rifle Club. There have been many KA's on the Seminole football and tennis teams, and in the FSU Circus. The chapter placed third in the intramural sports program this year.

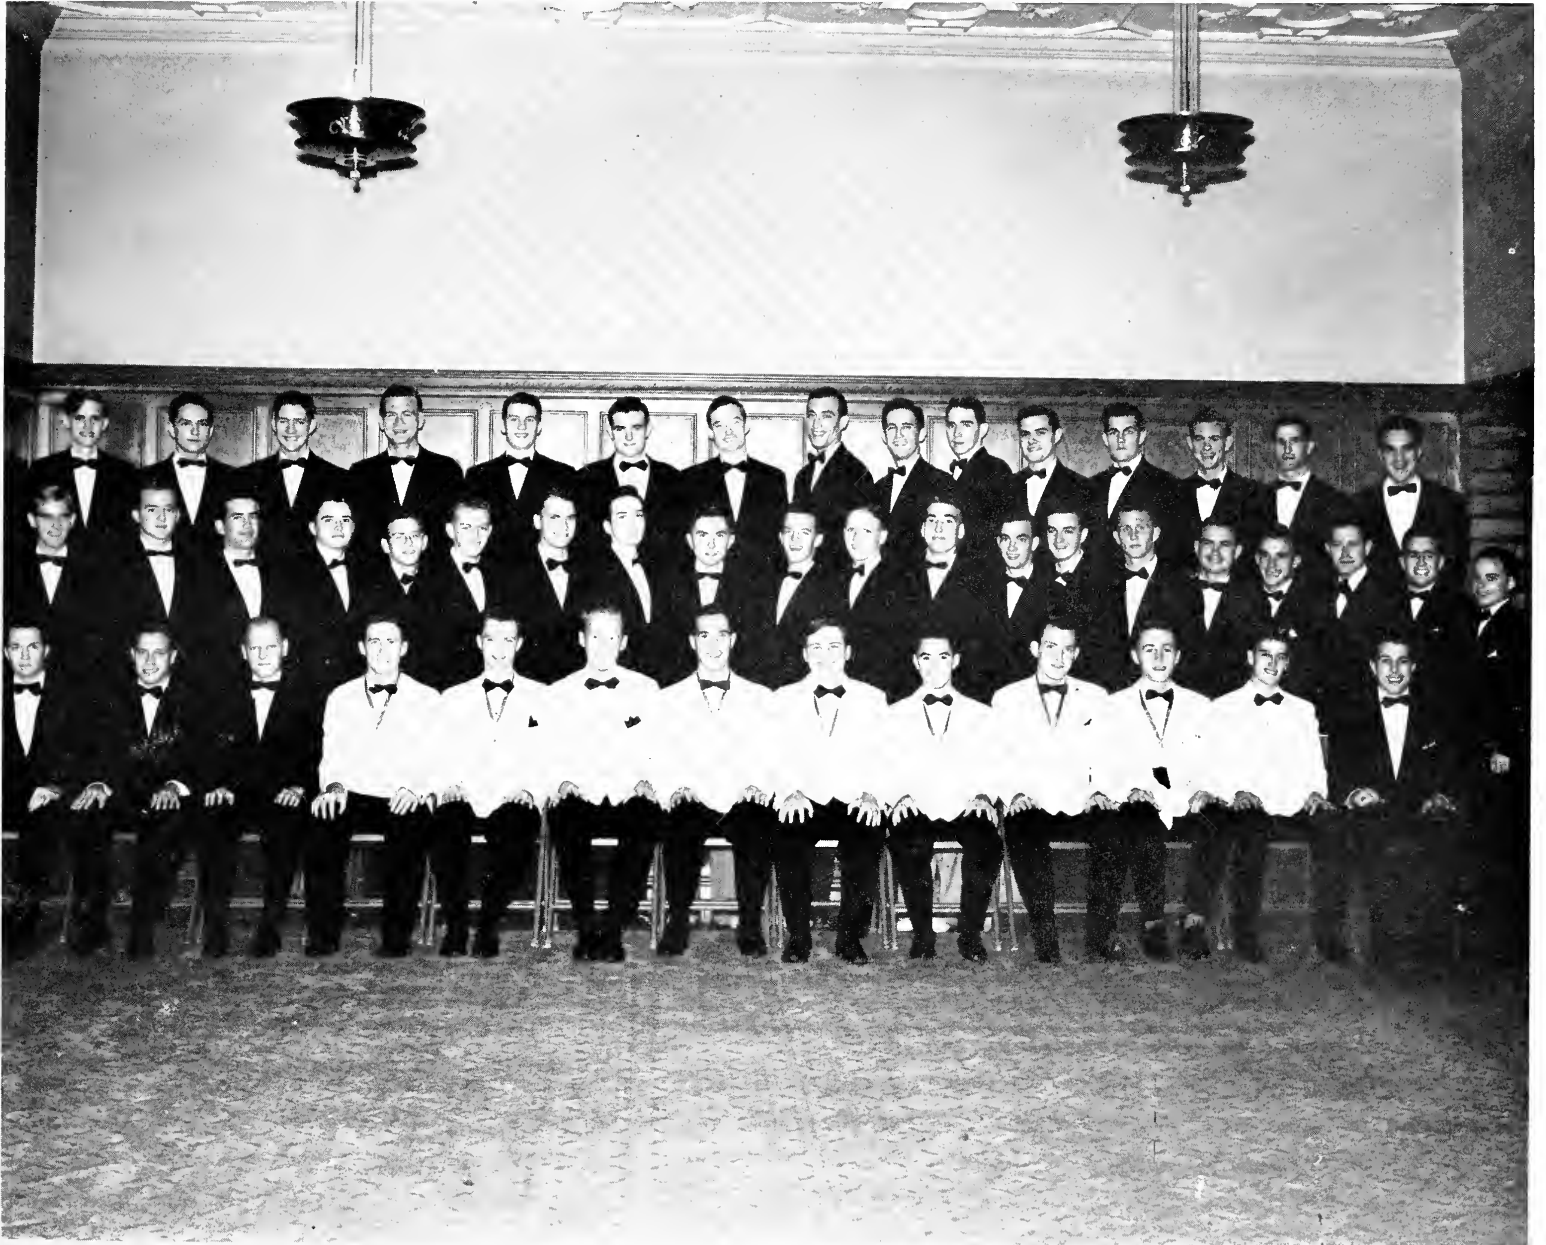

The outstanding event of the year was the annual Rebellion Ball, which followed the surrender of Bryan Hall to the Kappa Alpha's in their forty-eight hour "secession" from the Union.

Helen Clair Wheat, Kappa Kappa's representative in the beauty contest for Homecoming won the lovin' cup. The chapter was presented with a large trophy.

Numerous informal parties at the house on West campus and at the coast helped fill the social calendar of all Kappa Kappa's.

Colony of Sigma Phi Epsilon

Highlight of the Sig Eps year came on May 6, when Sigma Epsilon colony became a full fledged chapter of Sigma Phi Epsilon national fraternity. At the dance, climax of the weekend, Carrie Mims was crowned queen.

The SPE's are justly proud of their scholarship record this year, for they have successfully maintained an average which topped the fraternity list. In intramurals they copped top honors in swimming and bridge.

Member Paul Curtis brought fame to FSU when he captured the southern debate championship. Paul is also a member of Omicron Delta Kappa.

Herb Marsh served as president of the junior class this year, while Richard Yeager is junior senator elect. Cristy Dale served the senior class as senator.

Participating in all campus functions throughout the year, the Phi Tau's wound up a successful year with their annual Carnation Ball, climax of their weekend, when Miss Becky Aase was crowned sweetheart of Beta Iota chapter.

Outstanding among the chapter's members are Bill Albright, member of ODK and Gold Key; Herb Reinhard, chairman of "Sandspur" for 1950 and 1951; and Bruce Kirksey, president of the chapter and Gold Key tap.

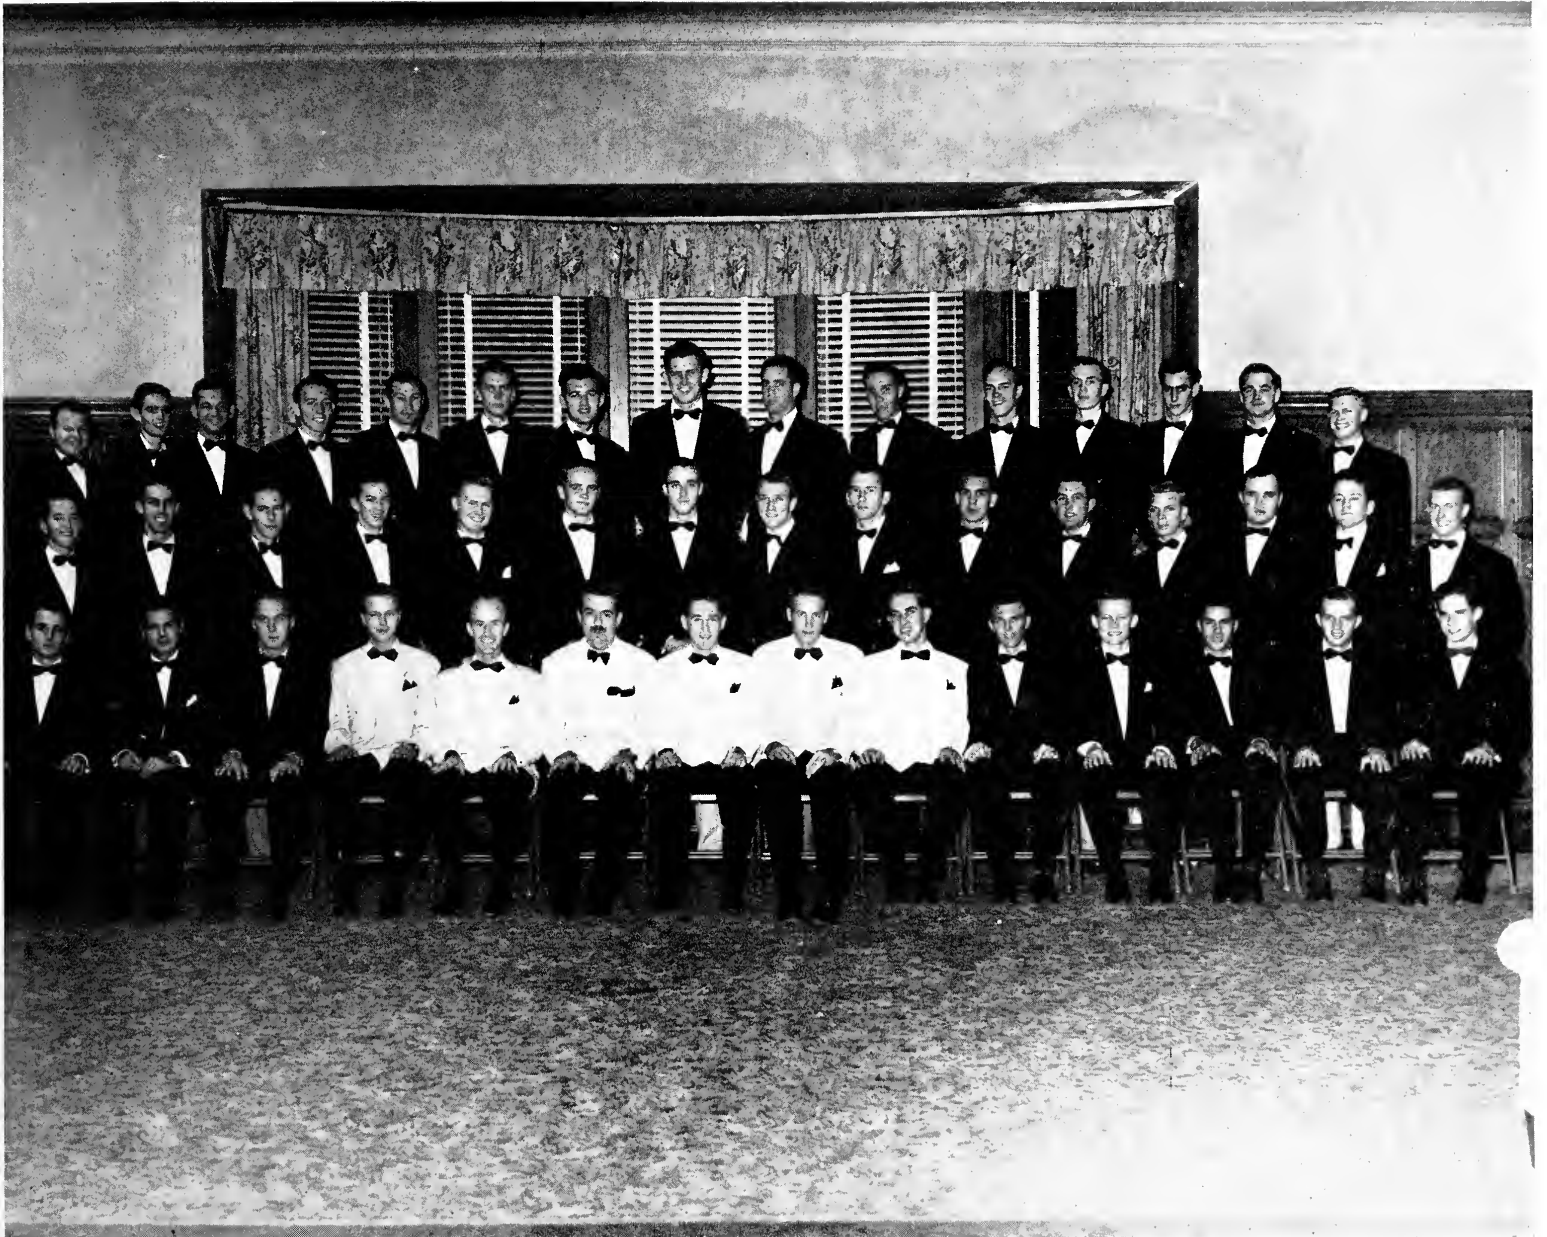

Cavaliers claim Phi Tau's Jay Westberry, Billy Houghton, Jack Crowell, and Reinhard. Sports stars Pat Farrell of the Seminole swimming team, and Gleen Gresham of the FSU baseball team wear the Phi Tau badge. ROTC officers include members Frank Lowry and Kirksey.

At the National AAU meet Seminole co-captain Bill Roetzheim successfully defended his all-around title, and added another, the National high-bar championship. Also finishing in the first ten for all-around honors were Joe and Carmine Regna.

Members of the Southern Gymnastics League, this year's team was declared ineligible for the League championships, but members Georgia Tech and Maryland were decisively defeated in dual meets. Maryland won the league crown.

Gene Venik performs on the side-horse.

Standout star of the year was Roetzheim, who clinched his position as the best gymnast in the United States with the all-around victory in the Nationals. Averaging almost four first places per meet during the year, Roetzheim also is Midwestern all-around, side horse, high bar, parallel bars, and flying rings champion; Southeastern all-around, high bar, parallel bars and flying rings champion; and Florida all-around, side horse, high bar, parallel bars, and tumbling titleholder.

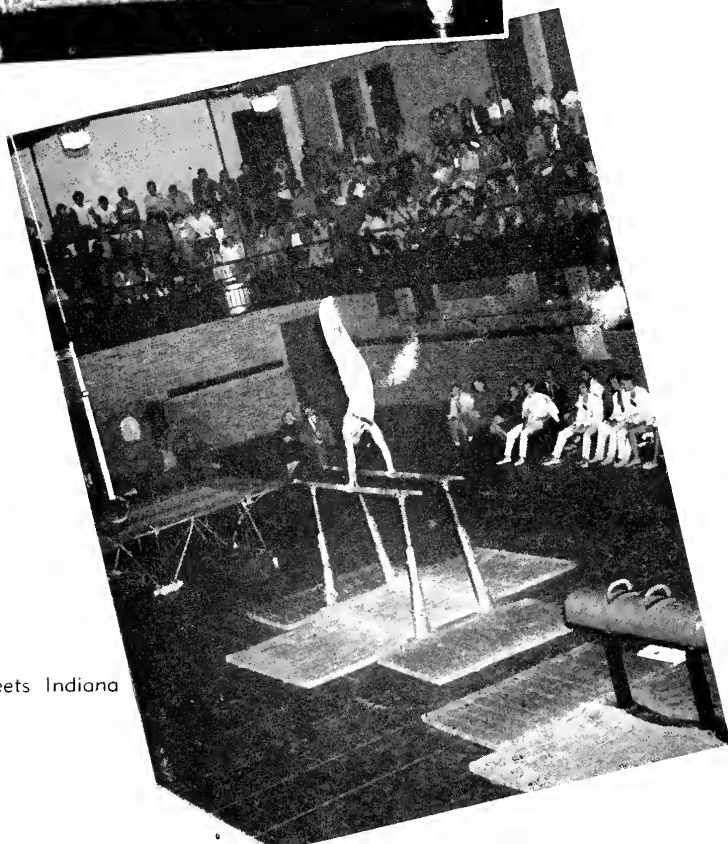

Joe Calvetti, the other co-captain, placed second to Roetzheim on the high bar in every meet but one, giving the Seminoles an almost sure-fire one-two finish in that event. Calvetti was also one of the team's best rope climbers.

Freshmen Joe and Carmine Regna were other consistent high finishers in four or five events, placing second and third to Roetzheim for all-around totals in the Southeastern championships and the Florida Open.

Among the other title winners on the gymnastics squad were Gene Vinik, Southeastern AAU side-horse champion, Carmine Regna, Florida AAU rope climb champion, and Eddie Fernald, Southeastern AAU trampoline titleholder.

Swimming Team

The Tribe tankers ended the season with a 7-2 record losing to Georgia by five points and Miami by one point. However, FSU defeated both teams later in the season.

The Miami victory, 40-35, was perhaps the most outstanding single meet of the year

Lettermen for the 1950 season include Dick Berndt, Mark Brown, Buddy Browning, Owen Boone, John Buettner, Mike Castagna, Tom Conway, Pete Dunn-Rankin, Pat Farrell, Jack Holmes, Walter Jardine, Wilton Jardine, Joe Mills, Roger

Slater, Tony Stormont, Dick Wells, Jack White, Scott Ramsey, Bob Ensworth, Bob Wells, Bob May (manager) and Charlie Bradham (manager). Tom Campbell, Paul Caro and Bob Hudson received numerals.

Captain for the swimming team was Walter Jardine, the top long distance swimmer on the squad.

Stults is planning big things for his 1951 team, which will be practically the same as this year's. A number of big schools have already been lined up for next season.

THE 1950 DIXIE CONFERENCE CHAMPIONS

Lamar Brown	Robert Trowbridge	August Pompelia
Ronald Nettles	Godfrey Knight	Edward Sessions
John S. Witt	Lee Bailey	Edward Lockhard
Glenn Gresham	Les R. Mullen	Harry Truluck
Ronald Melton	Lynn McKelvey, Jr.	William Teel

Managers: John McKeever, Fred Hoover.

Florida State University's baseball team enjoyed the most successful season in the school's history this past season.

The Seminole nine compiled a won-lost record of 13-7 and took the Dixie Conference title by downing Mercer University with a nine-run rally in the top of the ninth frame at Macon, Georgia.

The official 1950 batting crown went to Ronald Melton, regular first baseman. The veteran collected 30 hits in 83 times at bat for a .361 average. After going hitless in the first three contests, Melton got at least one hit in the last 17 games of the season, giving him the crown.

Pitcher John Witt followed with a .346 average, 9 hits in 26 trips to the plate.

Last year's batting champion, Lamar Brown, started in a slump, but snapped out in time to end with a .329 average, 24 for 73. Brown led in stolen bases with 10, leading second place Lee Bailey by 5.

Glenn Gresham, who finished the season with a .333 batting average, led in runs batted in with 15. Melton and Bob Trowbridge followed with 13 each.

The home run king for the 1950 diamond season was Augie Pompelia, who pounded out 3. Bailey blasted two for the runner-up spot.

Bailey was also the best target for opposing hurlers. He was hit five times by pitched balls.

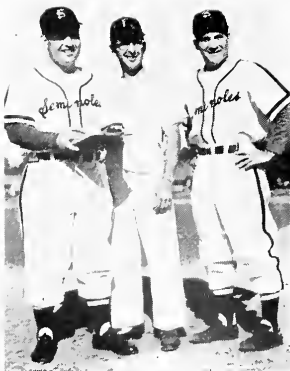

Trowbridge and Ronnie Nettles worked opposing pitchers for 17 and 16 bases on balls, respectively. Nettles took the "booby prize" with 10 strike-outs to his credit.

In fielding, Les Mullen and Pompelia took "booby prizes" with 12 and 11 errors, respectively.

Freshman Ed Lockhard took the pitching crown with a perfect 3-0 record. The big right hander fanned 32 batters during the season and walked 25, leading in both departments.

Witt, who hurled in 8 of the 20 games, followed with 27 strikeouts and a 3-3 won-lost record.

Bill Lanier, the lone left hander on the pitching staff, saw service in 7 games and ended with a 3-1 mark. He was the most consistent moundman on the team.

The Coaching Staff:
Armstrong, Kwest and
Sebben.

Track and Field

Head Track Coach Kenneth Miller shows Brick Bradford, 1950 Track Captain from Tallahassee, how to put the shot.

Led by Captain Brick Bradford, the 1950 Florida State track and field squad established a record that will prove difficult to match by future Seminole teams.

After a discouraging start against a "keyed-up" University of Miami aggregation, our team showed steady improvement in rolling to five successive dual meet wins and the Dixie Conference championship.

During the season, new school records were posted in every event except the javeline throw, in which Bill Rodgers' 1949 Dixie title throw remained unbeaten.

The outstanding performer on the team was Tom Bowman, a University of Florida transfer, who scored an almost unbelievable total of 142¼ points during the season.

Bowman competed in 10 events during the year, and set FSU standards in the 100-yard dash, 220-yard dash, 120-yard high hurdles, 220-yard low hurdles, high hurdles, high jump and broad jump. He also ran the anchor lap on the record breaking mile relay team.

In addition to Bowman, six other members of the team were crowned conference champions in individual events. They were Bradford, Joe Fracassi, Pete Frascchetti and Dick Mize. Frank Pearson and Rickey Mahoney teamed with Mize and Bowman to take the mile relay title.

Of the 16 lettermen, only five will be missing next year. Despite the fact that these men are all key performers on our present squad, prospects look bright for another outstanding team in 1951.

Golf...

THE DIXIE CONFERENCE CHAMPIONS OF 1950

Left to right: Ted Hewitt, Joe Bassett, Coach Harbison, Dick Montney.

Jimmy James, Miami.

The 1950 golf season was a success from the standpoint of the won and lost column. The record stands at 6 wins, 2 ties and 2 defeats.

The team participated in three tournaments during the season: the Florida Intercollegiate, the Southern Intercollegiate, and the Dixie Conference Tournament.

The team members who performed for FSU during the 1950 season were:

Ted Hewitt, an outstanding all-around athlete, who has great ability on the putting greens.

Dick Montney, the man with many nicknames. His greatest honor this season was touring the Tallahassee course with the Duke of Windsor.

Joe Bossett, who some day will be famous for his ability in using the pitching wedge.

Jimmy James, a student of the game.

Sonny Tinney, who is probably one of the outstanding southern collegiate golfers.

Next season promises to be a great one, with a schedule of several large collegiate tournaments and dual matches with some of the larger universities and colleges.

Sonny Tinney, Tallahassee, Dixie Conference Medalist of 1949, holder of amateur record for Tallahassee course.

Tennis . . .

1950 DIXIE CONFERENCE CHAMPIONS

Left to right: Bob Lanigan, Larry Dickson, Coach Don Loucks, Herb Quay.

The hard-driving Seminole netters successfully defended the net championship at the second Annual Dixie Conference tournament at Macon, Georgia.

Living up to their season record of no conference defeats, the Tribe copped the crown with very little trouble. The final team standings: Florida State University 19, Florida Southern College 11, Mercer University 4, Oglethorpe University 2.

Individual tennis honors were taken by Herb Quay of FSU in the Class B singles, Bob Lanigan of FSU in the Class C singles, and Quay and Don Seiffert in the doubles.

George Winchell of Florida Southern successfully defended his Class A singles crown by edging Seiffert in a three-set match. Seiffert had previously beaten the FSC netter in regular seasonal play.

In Conference play this season the Seminole netters could not be subdued, winning seven and losing one. Outside the loop, however, playing against top-notch opposition, FSU's

racketmen were less successful, dropping six and winning two. Among these non-loop opponents were such powerhouses as Indiana University, a "Big Ten" team; Presbyterian, South Carolina State Champions for the last ten years; and the strong Pensacola Navy squad.

Eleven netters were awarded letters this season, making up what Coach Don Loucks rates as "the strongest tennis team the school has ever had."

Herb Quay and Bob Lanigan are the only two members slated to graduate before next season's play. During the entire season play, Quay lost only one of 15 singles contests. Both Quay and Lanigan were among the top six netters and their loss will be keenly felt.

Other lettermen, also turning in outstanding performances, are Don Seiffert, Larry Dickson, Sam Smith, Don Boda, Tom Babione, Sid Stringer, Richard Bradley, George Martin and Jesse Stokes. These men will probably carry the bulk of the load next year.

Odd-even sports for girls is a highly skilled type of intramural program. This program is set up for girls who are interested in a more specialized form of activities. The odds are girls who enter the university in an odd year while the evens enter the school in an even year.

This program originated when the university first became FSCW. The girls were divided into two teams—the Comets and the Stars. As the school grew larger more activities were offered and the two teams became the odds and the evens.

The sports seasons which now include hockey, soccer, archery, and dance first quarter, basketball, volleyball, swimming and bowling second, and softball, tennis, badminton and golf third are being revised for the semester system. The sports will remain the same, but there will be two sports seasons a semester.

All team sports play a best two out of three series. In dance no winner is declared but the performance

is constructively criticized by judges. Individual sports are run off as tournaments or meets.

The results for the year are as follows:

First Quarter:

Soccer	Evens
Hockey	Evens
Archery	Odds

Second Quarter:

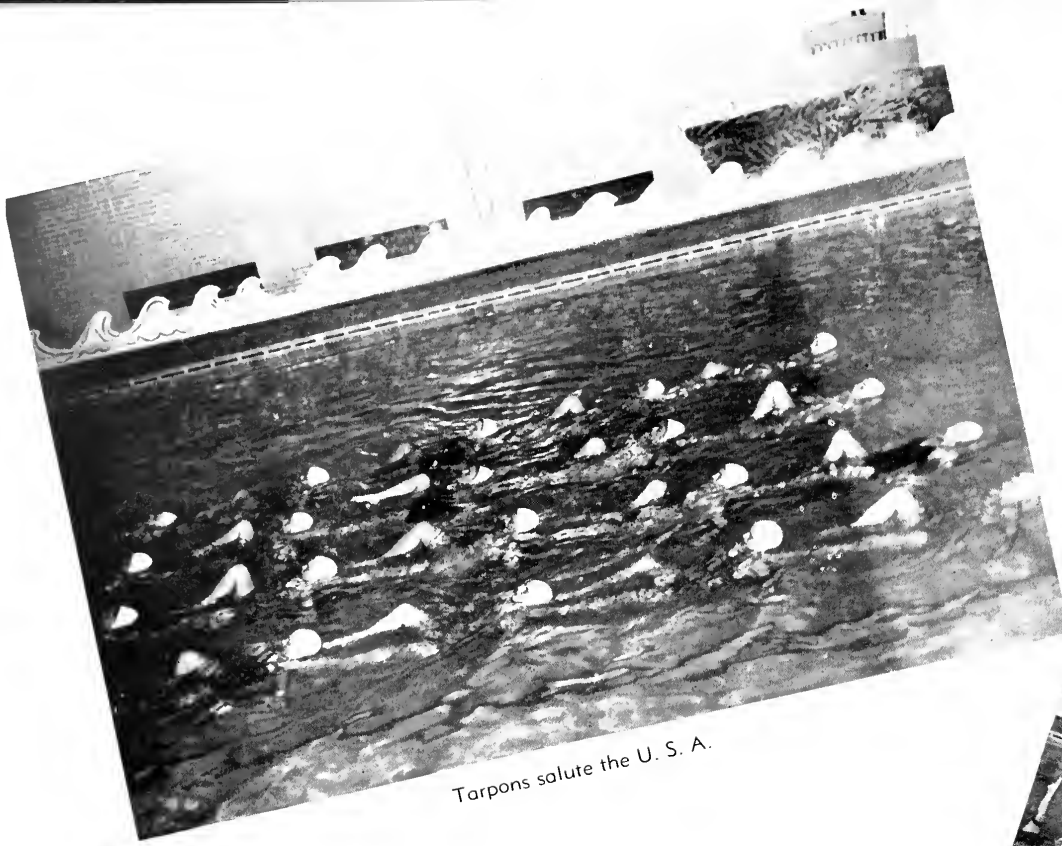

Basketball	Evens
Volleyball	Odds
Swimming	Evens
Bowling	Evens

Third Quarter:

WE ARE PROUD of the continuing part we have played in the production of yearbooks for the Florida State University for the past SEVENTEEN years. . .

The TALLY-HO and its predecessors occupy an important place in the traditions of our own organization and receive the utmost of our skill and effort.

The 1950 TALLY-HO staff has performed with rare ability and we are grateful for the opportunity to have been their co-workers in what we believe is an outstanding yearbook.

What a good bank means to you. . .

A bank is not just a place where people check money in and out. Rather it is the heart of the whole business community.

It helps to finance business. It helps people build homes. It handles the transfer of huge amounts of money from one business to another, from one person to another.

Through its connections in other cities, it enables you to buy goods, pay bills not only in Jacksonville but everywhere in the world.

Whether or not you plan to go on to a business career, plan now to establish a banking connection. We feel sure you will like the friendly way in which the Florida National Bank does business.

Come in, ask all the questions you want, you'll be most welcome.
